**A PRAYER for the
Street Chaplains**

Loving God,

**Your Son – the Good Samaritan,
finds us where we are,
pours the oil of mercy
into our wounds and our pain,
and brings us to safety.**

**Bless those who are
vulnerable on the streets,
and those who are lost, alone
and ill.**

**Bless the chaplains who care for
the distressed,
that in their caring, and
through those being cared for,
your grace may be manifest
and your kingdom come.**

Amen
